G. NURSING PRACTICE

- ACTION
1. Humana Hospital Sunrise request: Use of Real Time and Doppler Ultrasound for Antepartum Testing: Janine Sawaya, Associate Executive Director/Nursing, presented the request and responded to questions from the Board. Discussion followed. It was moved and seconded the use of Real Time and Doppler Ultrasound for Antepartum Testing, to assess fetal well-being, is within the scope of practice for the Registered nurse. MOTION CARRIED.
 2. Report on Practice Committee: Committee met September 21, 1989, determined rules and process; will meet every six to eight weeks, with the next meeting scheduled for December 1, 1989 in Reno. Insertion of PICC Lines will be brought to the Board in November; administration of local anesthetic agent into the intrapleural space will be reviewed in December and placed on the next available Board agenda in 1990.

H. NURSING ASSISTANTS

- ACTION
1. Nursing Assistant Advisory Committee:
 - a. The Board reviewed the registered nurse applicants and, following discussion, it was moved and seconded that Sharon Meade be the R.N. representative to the Nursing Assistant Advisory Committee. MOTION CARRIED.
 - b. Because only one application has been received from a Licensed Practical Nurse wishing to serve on the Committee, it was the consensus of the Board that the appointment be postponed and additional applications encouraged.
