

Nevada State Board of **NURSING**

The Nevada Nurse Portal

What is the Nevada Nurse Portal?

The Nevada Nurse Portal is a confidential and secure cloud based system that allows current Nevada licensees/certificate holders and prospective applicants to manage their initial and renewal applications online, submit requests electronically and view their license/certificate status.

What does this mean for you?

- No more paper applications!
- You can contact the Board directly through the message portal.
- Check your license/certificate status 24 hours a day.
- Update your contact information anytime.
- Conveniently access the Nurse Portal from the NSBN website.

Who should create a Nevada Nurse Portal Account?

- All current licensee and certificate holders.
- All applicants seeking licensure or certification in Nevada.

The Nevada Nurse Portal will be launching Spring 2018!
