Any nurse licensed in Nevada is invited to serve the Nevada State Board of Nursing through participation on any of its six advisory committees. Certified nursing assistants are invited to participate on the CNA Advisory and Disability Advisory Committees. Volunteers are appointed by the Board as needs are identified. In the appointment process, every effort is made to match the expertise of each individual with the needs of the Board of Nursing. Also considered is balanced representation, whenever possible, among geographical areas, and registered and licensed practical nurses and certified nursing assistants.
