PUBLIC COMMENT: No Business

A. APPROVAL OF MINUTES: No Business

B. OLD BUSINESS: No Business

C. NEW BUSINESS

1. Review, discussion regarding a practice decision revision on the LPN's role in suprapubic catheterization. The committee has discussed and agrees that suprapubic catheterization is within the scope of practice of the LPN. C. Crumley motioned to have a practice decision titled "The LPN's Role in Suprapubic Catheterization Care" and to implement within the practice decision the language of competencies and the care for patients to be determined by the employer and or facility. D. Lauffer seconds with a friendly amendment to the title reading "The LPN's Role in Suprapubic Catheterization Care and Replacement. C. Crumley accepts the friendly amendment, motion carried. S. McCord motioned to include reinsertion cannot take place until four weeks after initial insertion. K. McComas seconds, motion carried. C. Crumley will begin to draft the practice decision and will present the first draft to the LPN Advisory Committee on 6/25/19. Once the practice decision has been approved by the LPN Committee it has been agreed that NPAC and the APRN Committee should review the practice decision.
