

are pleased to offer

Nevada Nursing Assistant Instructor Workshop and Teaching Strategies in the Classroom

April 1, 2020 – Great Basin College

or

April 3, 2020 – Western Nevada College

8:30 am – 4:30 pm

NSBN is excited to announce an upcoming workshop in collaboration with Headmaster LLP-D&S Diversified Technologies to provide C.N.A. instructors information to assist in preparing nursing assistants for the certification exam.

In addition, information will be provided on teaching strategies, curriculum planning and evaluating students.

We encourage all faculty who teach in C.N.A. programs to attend this event. Please register today with Marcey Moore at 702-668-4533 or email mrosborough@nsbn.state.nv.us. Please include attendee's name, email, contact phone number, license number, and the date of attendance in your email. Registration is limited. Continuing education hours will be offered through the NSBN (7 CEUs). This is great information you won't want to miss!
