EMS Renewal FAQs

How do I submit my renewal application? You must login to your Nevada Nurse Portal account and click on the “Start your renewal application” or “Apply for Renewal” link. You must submit your RN renewal before you will be eligible to submit your EMS renewal.

The screenshot shows a notification bar at the top with a red triangle icon and the text: "Your Nevada RN License [redacted] is up for renewal." To the right of this text is a blue link "Start your renewal application" which is circled in red. Below the notification is a section titled "Your Licenses with Nevada" containing two buttons: "Inactivate your License" and "Apply for License". Below the buttons is a table with the following columns: License Number, License Type, License Granted Date, License Expiration Date, and License Status. The table contains one row with the following data: License Number [redacted], License Type RN, License Granted Date Jun 08, 2020, License Expiration Date Aug 01, 2020, and License Status Active. To the right of the "Active" status is a blue link "Apply for Renewal" which is also circled in red.

License Number	License Type	License Granted Date	License Expiration Date	License Status
[redacted]	RN	Jun 08, 2020	Aug 01, 2020	Active

When can I submit my renewal? Renewal applications can be submitted online within 60 days from your current expiration date. If you login to your account beyond the 60-day eligibility period you will not see the renewal links.

What is the renewal fee? There is no fee for EMS renewal.

What are the renewal requirements? In addition to complying with RN renewal requirements, the EMS must be currently certified in PALS, ACLS and an advanced life support procedures for patients with trauma that are administered before arrival of those patients at a hospital in a program that is approved by the Board.

I forgot to submit my renewal application prior to my expiration date, can I still renew? Yes, you can renew at any time but will be required to comply with all renewal requirements before your renewal may be issued.

I submitted my renewal application, but I have changed my mind and want to cancel my renewal, can I get a refund? No, once your renewal application is submitted you cannot cancel your application or get a refund. Your application will remain valid for one year should you choose to complete all renewal requirements.

How will I know if my renewal was issued? Once you have submitted your application, return to your Nevada Nurse Portal dashboard to verify your new expiration date. It may take up to 72 hours to see your new expiration date. If your expiration date has not been updated after 72 hours, please check for messages in your nurse portal account as you may need to provide additional information to complete your renewal.

How will I know if I am required to fingerprint for my renewal? A notification will be sent to you via the message center in your Nevada Nurse Portal account within 24 hours from the date your renewal application is received. Please check your Nevada Nurse Portal account one business day after your application is submitted; if you are required to fingerprint you will receive a six-month renewal and have a fingerprints required notice in your message center. If you received a full renewal and do not have a message in your Nevada Nurse Portal account, you are NOT required to fingerprint. For additional
