August 27, 2021- CSN

9:00 a.m.- 4:30 p.m.

NSBN is excited to announce an upcoming workshop in collaboration with Headmaster LLP-D&S Diversified Technologies to provide CNA instructors information to prepare nursing assistants for the certification exam.

In addition, information will be provided on teaching strategies, curriculum planning, and evaluating students.

We encourage all faculty who teach in CNA programs to attend this event. Please register today with Brittany Hetzer at 702-688-4533 or email bhetzer@nsbn.state.nv.us. Please include the attendee's name, email, contact phone number, license number, and date of attendance in your email. Registration is limited and must be done before August 6, 2021. Continuing education hours will be offered through the NSBN (7 CEUs). This is excellent information you do not want to miss!
