C. NEW BUSINESS

1. Board meeting follow up: March 2022 Board Meeting: S. McCord presented this item. F. Olmstead updated the committee on upcoming regulation changes regarding apprentice nursing, delegation, and definitions. C. Dinauer updated the committee on the executive directives possibly coming to an end soon and that the Governor is holding a healthcare summit on April 19, 2022. An update was also given to the committee regarding AB 327 and that many new courses and providers have been approved and added to the approved course list.
2. Review and discussion regarding quarterly Scope of Practice Calls: S. McCord presented this item to the committee. The committee did not have any questions.
3. Review, discussion, and possible action regarding a Practice Decision Request proposing changes to the NSBN School Nursing Practice Decision expanding the school nurse's scope of practice to delegate the emergency administration of intranasal medications, Naloxone, Glucagon, and Diazepam: J. Clancy from Clark County School District presented this item to the committee. She is requesting that the existing school nurse practice decision and medication grid be updated to include the delegation of the intranasal emergency medications listed. Parents with children that require the use of these emergency medications were present and supported updating the practice decision and grid. The committee discussed this item and it was decided that another meeting would be scheduled as soon as possible to present this item to the committee with a quorum present.
